

TWENTY-NINTH ANNUAL

Jeffco Fire Engine Rally

SEPTEMBER 30, 2023

Dear Friend,

The twenty-ninth annual Jeffco Fire Engine Rally will be held at the Herculaneum City Park on Saturday, September 30, 2023. The event is sponsored by the Jefferson County Fire Fighters Association.

Once again, this year, the rally committee will be producing an official Jeffco Fire Engine Rally program for free distribution to those attending the rally. The rally program will contain historical information about the rally and each of the member fire department and ambulance districts in Jefferson County. Additional information to be included in the rally booklet will be a schedule of the rally events, biographies of the rally parade Grand Marshal and Junior Grand Marshal, a listing of past Jefferson County Firefighters Association award winners, a listing of past Grand Marshals and an In Memoriam page to honor those members of the Jefferson County fire service who have passed away during the past year.

To support the production this official program, the Jefferson County Fire Engine Rally committee is selling advertising space to various businesses, organizations and individuals wanting to support the Jefferson County Fire Fighters Association organization. An advertisement schedule listing the size and cost for the different size advertising spaces available in the rally program is included with this letter. Sample ad pages are included to illustrate advertising space sizes.

The Jeffco Fire Engine Rally committee will have 500 copies of the official program printed and distributed on the day of the rally. The committee believes that the official program will become a collector's item and be retained for several years.

The rally committee looks forward to your support toward the printing of the 2023 Official Jeffco Fire Engine Rally Program.

The Jeffco Fire Engine Rally Committee thanks you for your kind consideration of this request and for your support.

Bill Haggard
President/Rally Chairman
